REGULAR JUDGE:

When a participant makes a mistake, write the number (1-4) in the corresponding box on the score sheet.

BONUS JUDGE:

The bonus judge will watch for the first person to step out on each call and mark a slash in the appropriate box. If two or more step out first together, a bonus point should be given to each one. The bonus judge also will watch for mistakes on the ones earning bonus points. If a mistake is made on a call a bonus point is earned, the bonus judge will nullify the point by making an X out of the slash. The appropriate number should be placed in the box from the listing at the bottom of the score sheet indicating which mistake was made.
